

PATEL MAHI

Computer Science Engineer

Phone: +91 8200286378 | mahipatel.mp2710@gmail.com | Vadodara, Gujarat

LinkedIn: linkedin.com/in/mahi-patel-424b5a309/ | GitHub: github.com/mahipatel5750

PROFESSIONAL SUMMARY

Motivated and detail-oriented Computer Science student with strong knowledge of full-stack web development, problem solving, and software engineering concepts. Skilled in building scalable web applications using React, Next.js, JavaScript, Supabase, HTML, CSS and Bootstrap and modern database technologies. Passionate about developing real-world solutions with clean UI/UX, secure backend systems, and efficient application architecture.

EDUCATION

B.Tech in Computer Engineering

Parul University, Vadodara

Expected Graduation: 2027

TECHNICAL SKILLS

Programming Languages: Java, Python, C, JavaScript

Data & Analytics: Power BI, Excel, Python (Pandas, NumPy, Matplotlib)

Web Development: MERN Stack (MongoDB, Express.js, React.js, Node.js), HTML, CSS, Bootstrap

Database: MySQL, MongoDB

Tools & Technologies: IntelliJ, GitHub, VS Code

SOFT SKILLS

Public Speaking

Problem Solving

Team Work

Leadership

PROJECTS

Civic Issue Tracker – Smart Urban Infrastructure Management Platform

|Academic Project

Tools: Next.js 15 • React 19 • TypeScript • Supabase • PostgreSQL • Tailwind CSS • Leaflet GIS • JWT Auth

- Developed a role-based civic issue management platform enabling citizens, field workers, and municipal departments to collaboratively report, assign, and resolve urban infrastructure problems...
- Implemented geo-tagged issue reporting with GPS location capture and photographic evidence upload for real-time tracking and accountability.
- Built interactive GIS-based dashboards using Leaflet maps to visualize city-wide issue hotspots, urgent tasks, and department-specific operations.
- Designed secure backend architecture with Supabase Authentication, PostgreSQL, and Row Level Security (RLS) to ensure department-level data isolation and controlled access...

CERTIFICATIONS & TRAINING

- Vadodara Hackathon 6.0
- Certification of Participation
- AWS Academy Graduate
- Statement of Achievement by IBM SkillsBuild
- Certificate Program in Cyber ops
